The Art of India!

On our travels, we often come across pieces of jewellery which captivate - even if they aren't antique. This extraordinary bracelet from India is such a piece. It embodies the centuries-old tradition of Indian craftsmanship: opulent, vibrant-coloured and all executed with an incredible attention to detail. Set in silver, the bracelet combines an impressive variety of precious gemstones: 1,504 small diamonds, 125 blue sapphires, 106 natural rubies, 3 blue cabochon-cut tanzanites, and 85 tourmalines. More than 1,800 individually set gemstones make this bracelet a small work of art—glamorous, extraordinary, and unmistakably Indian. A piece of jewellery that does not hail from the past yet still manages to tell the centuries-old story of great Indian craftsmanship.
